omnisend

Kickstart service

What's included

Migrate Your Contacts

Omnisend will migrate the contacts from your existing email tool to your Omnisend Account

Workflows

Migration of your welcome series, abandoned cart, and one additional workflow of your choosing (templates not included)

Migrate Segments

Create up to 5 Segments of your choosing in Omnisend, based on the criteria you provide

Migrate Forms

We will create up to 3 sign-up forms or popups of your choosing

Template Migration

We will re-create 1 Master Template for you in Omnisend. You let us know which one you'd like for us to clone from your existing tool

SMS verification

Toll-Free Number Verification process submitted on your behalf

Complete this form:

→ Form

→ Follow the instructions and reach out to kickstart@omnisend.com with any questions.
